Hi Master,

I use to play 4D using my own numbers but been losing a lot of times. I saw your Elite Plan in the 4-D Winning Box magazine. Ahh. . Maybe this one I can try ah. So I signed up for the C2-\$21 Plan. On 15/09/2009 I received your SMS. The SMS message was to play System 1126 on \$1 big, Direct 1612, 2611, 2161. - \$3 big each, for the next 3 draws.

Then on 20/09/2009, I got a SMS congratulatory message from Master – “Congrats! U hit 1st prize on 2161 and won \$8000...”. I shouted “Wow!...did I really won \$8000.00?”

It is just like a dream becomes a reality? This is my biggest win in the 4D games so far. Indeed, it is much better than I play my own numbers. Now, I have more confident and will concentrate playing the Elite numbers. Playing my own numbers my hit rate is very poor and lose much more money.

Thank you Master Charles.

I used to read from your 4-D Winning Box Magazine about the people who joined the Elite Player Plan and strike Top 3 Prizes. It seems so simple and honestly I was just wondering if the

stories were true. I decided to try out the plan myself to see if I can also strike first prize direct and win \$8K like your other members.

Every week, patiently I played the numbers assigned to me and wait. Then on the week 16, 19 & 20 September, I was given these numbers to play – 1126 System bet \$1 big and three direct numbers 1612, 2611, 2161 on \$3 big each on ordinary bet.

The big day came on 20 September 09, I hit the first prize on 2161 and I am so happy I won \$8000.00! Thanks a Million Master!
