4-D SUMMARY

It is always a good idea to take a close watch on the most frequent 4D numbers, both the Top-3 prizes and the All Prizes. Using 4D SuperEase software, you can easily display such data at the click of the mouse. Just click on the “4D Summary”, and within seconds, you get the data.

On the left section, it displays the “Most Frequent (All Prizes)” and on the right, the “Most Frequent (Top-3 Prizes)”. Each section further breakdowns into four categories, ABCD, AABC, AABB & AAAB.

Watch out for the top four numbers for each category, as boxed above. They are likely to perform well for the rest of the year.

4-D Master’s special pick are:

1237, 0158, 0239, 3789, 1466, 4588, 3344, 2288.

Good Luck!
