

## Lucky Windmill Pi Xiu Pendant

Ushers in wealth, attracts good luck, wards off evil,  
brings good Feng Shui to its owner

This unique Pi Xiu pendant is designed with 8 auspicious petals of a Lotus Flower which symbolize enhancing good luck from all 8 directions. In addition the number '8' is deemed auspicious from 2004 to 2023 as we are now into Feng Shui Period 8. The most unique feature of this pendant will be the windmill Pi Xiu which will turn upon the wearer's movement thus attracting good fortune.

The Pi Xiu is a mythical creature with a history that dates back over 5000 years. According to Chinese folklore, the Pi Xiu, who was the 9th son of the Heavenly Dragon. It had the body of a dog and the head of a dragon.

The Pi Xiu has a ferocious appetite and will grab any wealth or power for its owner. It retains that wealth and power in its body and will only allow its owner to have them all.

The Pi Xiu Pendant is an extremely powerful symbol that will help to appease the Grand Duke Jupiter, dissolve bad luck and brings in good luck to the owner. It ushers in wealth, attracts good luck, wards off evil, brings good Feng Shui to its owner.

***This Lucky Windmill Pix Xiu Pendant is specially designed for people who wish become luckier, richer and happier. More importantly, it gives protection and brings about windfall and lottery luck to its owner.***
