Hi Master,

Thank you for your superb magazine. It helped boost my confidence on continuing buying my favourite number **3007**. A few years ago, I struck first Prize on 3007 on 19 Oct 2005 and won a whopping \$60,000. My ticket was published in your January 2006 issue.

Since this is my favourite number, I always keep a look out for system 0037 in your 4D Winning Boxes. This number combination, appeared since Aug 08 till the current Feb 09 issue.

The frequent appearance of system no. 0037 in the 4 Boxes makes me feel confident about buying my favourite number 3007 which also happened to match my unit number #30-07 too. I'm so happy I strike 3rd prize on 25 Feb and won a total of **\$15,840.00!**

So look out for your favourite number. If you see it recommended in the Boxes, put your trust and confidence in the 4-D Winning Box Magazine. You'll be surprised, you'll hit big, like ME. I'm very happy.

Thank you Master for publishing the 4-D Winning Box. It is indeed a very good lottery magazine and I cannot do without it leh.
